Mr. Henn started his work in the oilfield when he was fifteen years old. During WWII, he worked tailing rods on the Guenther Lease southeast of El Dorado, Kansas. He owned the R & H Service Station from 1952-1955. In 1955 he worked for Cities Service Oil Company as a garage mechanic and field repairman. He became Garage Foreman from 1982-1987 when he retired. Mr. Henn devoted many volunteer hours to the Butler County Historical Society and Kansas Oil Museum.
