Mr. Moreland was born in Oil Hill, Kansas. He earned a degree in Geology after WWII. He returned to Oil Hill in 1949 and worked for Cities Service. He resumed his career with Cities Service in 1954 after the Korean War. In 1955, he joined Petroleum, Inc. for nine years. Mr. Moreland eventually became the Kansas District Geologist. From 1964-1981, he worked for Rex & Morris Drilling Company in El Dorado as an Exploration Manager. Mr. Moreland joined Martin Oil in 1981 where he worked until his retirement in 2002. He was a member of many state and national geological associations. Mr. Moreland is well noted for his dedication to staying on top of the latest innovations in the field of geology.
