THE REGULARS

a novel Georgia Clark

“THE REGULARS is a saucy, sexy story that's one part cautionary tale, one part social commentary, and one part screamingly hilarious comedy. Deceptively simple, it's one of the most original books I've read in years. You'll eat this one up!”

Sara Shepard, #1 New York Times bestselling author of PRETTY LITTLE LIARS and THE HEIRESSES

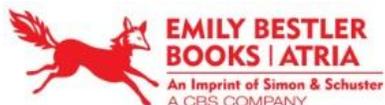

A fierce, feisty, and “wonderfully entertaining” (Scott Westerfeld, author of *Uglies*) novel with a magical twist, **THE REGULARS** (Emily Bestler Books, on Sale August 2, 2016, \$26.00) by **GEORGIA CLARK** tells a tale of three ordinary, regular girls who suddenly, mysteriously, have all their fantasies come true...or do they?

Best friends Evie, Krista, and Willow are just trying to make it through their mid-twenties in New York. They're regular girls, with average looks and typical quarter-life crises: making it up the corporate ladder, making sense of online dating, and making rent.

Until they come across Pretty, a magic tincture that makes them, well...gorgeous. Like, supermodel gorgeous. And it's certainly not their fault if the sudden gift of beauty causes unexpected doors to open for them.

But there's a dark side to Pretty, too, and as the gloss fades for these modern-day Cinderellas, there's just one question left:

What would you sacrifice to be Pretty?

Women have flocked to the zeitgeist-y, sexy humor of female-driven films like *Bridesmaids* and *Pitch Perfect*, made *Girls* and *Broad City* television hits, and related deeply to the honest yet hilarious takes on being a young woman in the modern world in nonfiction and memoirs like Amy Poehler's *Yes Please* or Sloan Crosley's *I Was Told There'd Be Cake*. With **THE REGULARS**, CLARK taps into young women's anxieties with a hilarious honesty, and an optimistic outlook that brings a funny, relatable female viewpoint to modern fiction.

Wildly irreverent, blatantly sexy, and observed with pitch-perfect wit, **THE REGULARS** is fresh "compulsive reading from a bright new voice" (Brenda Bowen, author of *Enchanted August*) in fiction, perfect for fans of Jennifer Close and Kevin Kwan.

GEORGIA CLARK is an author, screenwriter, and performer living in New York City, and the author of the YA novels *She's With The Band* and *Parched*. Georgia is widely published in women's and lifestyle magazines and has written for TV. A native Australian, she lives in Brooklyn with her girlfriend and a fridge full of cheese.

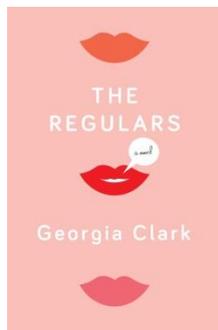

"Take just one drop of **THE REGULARS** and you'll be hooked: this is compulsive reading from a bright new voice."
Brenda Bowen, author of *Enchanted August*

"This wonderfully entertaining debut, full of magic and heart, is a fairy tale for our times."
Scott Westerfeld, author of *Uglies* and *Zeroes*

"**THE REGULARS** is the ultimate modern take on the old adage 'be careful what you wish for.' Best of all, in Georgia Clark's sexy fable, this message comes to us by way of a gaggle of hilarious, relatable friends....How far would you go to become the person you've always dreamed of being? Would you transform yourself completely, with no sense of the long-term cost? Georgia Clark asks these questions of her ambitious girl squad, and their answers lead us on a wild ride of self-discovery and friendship."
Elisabeth Egan, author of *A Window Opens*

"A feisty, feminist fairy tale...Atmospheric and confident, it's 13 Going on 30 with sharp, polished veneers. "
Caroline Kepnes, author of *Hidden Bodies* and *You*

"**THE REGULARS** is happily grounded in a world and a generation we recognize, filled with yummy, quippy dialogue and delicious storytelling. Hats off to Georgia Clark, who explores the debates around what, exactly, is female empowerment. A lovely summer read!"
Maggie Grace, actress and star of the *Taken* films, *Breaking Dawn*, and *Californication*
