

# Jensen Instrument Co.

643 S. Duggan Ave. • Azusa, California 91702-5185  
Telephone: (626) 969-7991 • Fax: (626) 969-4991  
www.jenseninstr.com • sales@jenseninstr.com

## Manufacturers Representative and Stocking Distributor

Signal Conditioners & Remote I/O

Annunciators - Panalarm & Rochester  
Signal Cond. - Scientific Columbus  
Pressure Trans. - Gulton-Statham  
Power Measurement Products - Rochester

Pressure & Temperature Gauges  
Switches & Transducers, Diaphragm Seals

Pneumatic / ElectroPneumatic Controls  
Filter Regulators, Volume Boosters

Manifold and Isolation Valves

Level / Flow Switches  
Thermal Mass Flow Meters

Gas Detection Sensors, Analyzers & Controls

Measurement & Control

Purge & Pressurizing Systems

Infrared Pyrometers & Thermal Imaging

Thermowells / Orifice Plates / Flush Rings  
Seal Pots / Level Chambers

macnaught

Oval Gear Flow Meters

Life Science / Food & Beverage Industry  
Level & Flow Transmitters and Switches

Flow Meters

Magnetostrictive Level Gauges

Digital Indicators & Controllers

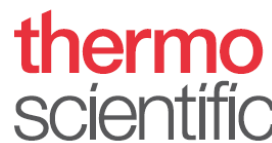

Wireless Sensor Networks

Thermocouple & RTD Sensors  
Protection Tube & Sample Probes  
Thermowell Assemblies

Control Valves, Actuators, Positioners,  
Severe Service Trims, and Accessories

Air Flow Sensors - Brandt  
Data Recorders - Westronics  
Density & Spec. Gravity - Sarasota  
Flow Computers  
Liquid Analytical - Orion, AquaSensors  
Nuclear Level & Density - TN & Kay-Ray  
Ultrasonic Flow - Polysonics, M-PULSE

## Process Instrumentation Solutions Provider

# Jensen Instrument Co.

643 S. Duggan Ave. • Azusa, California 91702-5185

## Manufacturers Representative and Stocking Distributor

### ANALYZERS

Calcium Hardness  
Conductivity / Resistivity  
Dissolved Oxygen  
Dissolved Ozone  
Fluoride  
Free Chlorine  
H2S/CO2/Mercaptan

IR Thermal Imaging  
pH / ORP  
Silica  
Sodium  
Temperature  
Turbidity

### ANNUNCIATORS

Panel/Remote/Rack Mount Systems  
Networked Solutions  
Sequence of Events

### CONTROLLERS

Process & Temperature  
Limit  
Ramp & Soak  
Weight

### DATA ACQUISITION

Remote I/O Systems (RTU)  
Multiplexers  
Wireless Solutions

### FLOW SENSORS

Flow Computer – Liquids/Natural Gas  
Electromagnetic Flow Meter  
Propeller  
Turbine Meter  
Orifice Plate & Venturi  
Oval Gear

Ultrasonic – Transit Time/Doppler/  
Multipath  
V-Cone  
Wafer Cone

### GAS DETECTION

Combustible & Toxic Gases  
Wireless Network

### GAUGES

Pressure  
Differential Pressure  
Digital  
Temperature  
Level  
Weight

### INDICATORS

Digital Meters  
Panel & Field Mounted

### LEVEL & TANK

Magnetostrictive Level Transmitter  
Magnetostrictive Tank Gauging  
Guided Wave Radar Transmitter  
Pulse Burst Radar Transmitter  
Level Sight Gauge/Transmitter  
Magnetic Level Gauge/Transmitter

Ultrasonic Level Transmitter  
Buoyancy Level Switch  
Thermal Dispersion Switch  
Bubbler Level Transmitter

### PNEUMATICS

Regulator / Filter  
Relays  
Volume Boosters

Air Cylinders  
Purge & Pressurization Systems

### RECORDERS

Digital / Paperless  
Multi-Point  
Strip Chart  
Sequence of Events  
Power Quality

### SIGNAL CONDITIONERS

Remote I/O  
Isolators & Splitters  
Power Measurement Transducers  
Revenue Meters

### SWITCHES

Pressure  
Differential Pressure  
Temperature  
Flow  
Level  
Rain Detection

### TEMPERATURE SENSORS

Infrared Pyrometers  
Infrared Thermal Imaging  
Protection Tubes  
Thermocouple & RTD Assemblies  
Thermowells

### TRANSMITTERS & TRANSDUCERS

Flow  
I/P & P/I  
Level  
Pressure  
Differential Pressure  
Temperature  
Power  
Weight

### TUBING BUNDLES

Electric Traced

### VALVES

Control - Globe, Butterfly, V-Notch, Eccentric Plug, V-Ball, Rotary  
Hi-Performance - Triple Eccentric Butterfly, Trunnion Ball  
Self-Operating Regulators  
Positioners  
Severe Service Trims  
Solenoid  
Manifold & Isolation

### WIRELESS SENSOR NETWORKS

Gateways and Nodes  
Analog  
Discrete  
Temperature  
Serial I/O
