

# Day 2: The Importance of Natural Lighting

## Assignment

- Download the Day 2 Worksheets
- Over the next week, make notes about the light in your space using your worksheet Lighting Observation Worksheet
- Practice going through the 7 Aspects of Lighting for the photos in your Pinterest inspiration board.
- Share your observations with the [BlogPhoneography Boost](#) Facebook group!

## Extra Credit

- Practice playing with lighting in your own photography. Share your images it with the BlogPhoneography Boost group and go through the 7 Aspects of Lighting in your post.
