THE LOW-INCOME HOUSING TAX CREDIT’S IMPACT IN UTAH

The Housing Credit is a proven solution to help address the affordable housing crisis.

The Low-Income Housing Tax Credit (Housing Credit) is our nation’s most successful tool for encouraging private investment in affordable rental housing. It has financed 3.3 million homes nationwide since 1986, providing roughly 8 million low-income households with homes they can afford.

Without the Housing Credit, it would be financially infeasible for the private sector to build affordable homes for the families that need them most.

The ACTION Campaign calls on Congress to:

- **Expand** the Housing Credit to make a meaningful dent in our nation’s severe shortage of affordable housing.
- **Strengthen** the Housing Credit by making it more streamlined and flexible.
- **Enhance** multifamily Housing Bonds, which provide critical financing to about 50 percent of Housing Credit developments.

The Housing Credit has had a tremendous impact in Utah.

However, much more affordable housing is still needed to meet the growing demand.

**THE NEED FOR AFFORDABLE HOUSING**

The Housing Credit, combined with other key resources, has had a tremendous impact in Utah. However, much more affordable housing is still needed to meet the growing demand.

- **58,779** renter households in Utah pay more than half of their monthly income on rent, leaving too little for other expenses like health care, transportation and nutritious food.
- In order to afford a modest one-bedroom apartment, a minimum wage worker in Utah has to work **90 hours per week**.

**THE HOUSING CREDIT’S BENEFITS FOR LOW-INCOME FAMILIES & THE ECONOMY**

1986 – 2018

- **28,894** homes developed or preserved in UT
- **69,563** low-income households served
- **50,442** jobs supported for one year
- **$2 billion** tax revenue generated
- **$5.7 billion** wages & business income generated

**ADDRESSING OUR NATION’S SEVERE SHORTAGE OF AFFORDABLE HOUSING**

- **3,970** additional affordable homes could be built in Utah over the next ten years by expanding the Housing Credit allocation authority by 50 percent (phased in over five years).
