Creek Cleanup, Saturday April 8th 9-12

It's that time of year again. Spring has come early, so let's prepare our wooded areas by cleaning up our own creek! Come RAIN or SHINE, the Social Committee and volunteer residents from both RHA and LHA will participate together to clean up the lower half of our creek, south of the bridge and the pool. The Alice Ferguson Foundation will be providing trash bags and gloves. Residents who wish to participate are asked to bring additional tools they believe could prove useful; rakes, wheelbarrows, etc. Safety is **KEY!** Any and EVERY one is invited and encouraged to help, but please ensure that you wear proper footwear. Rainboots are suggested. Younger volunteers under 13 are required to have a parent on site. To **VOLUNTEER** contact the Social Committee at rhaboard@sequoiamanagement.com or cmarts@cox.net

In This Issue

- Creek Cleanup April 8th
- 2017 ACC Inspections
- Egg Hunt April 16th*
- Fairfax CERT
- Updated local contacts

2017 Architectural Inspections start in April

Is your home up to RHA guidelines?! In order to maintain the favorable appearance of the community and keep home values where they should be, the Architectural Control Committee will again conduct inspections for 2017 starting in April. Ensure your townhome or detached home is in line by visiting RHA regulation, available online on the official RHA website:

<http://rhahomes.org/architectural-control-committee/>

If you have any questions of the ACC, or are interested in assisting with the committee, you may email the ACC directly at: ReflectionHomesACC@Gmail.com or management at: dedwards@sequoiamanagement.com

Egg Hunt, *Scheduled* for April 16th*

This year's Egg Hunt is scheduled for Saturday, April 16th, and will begin around 9am. *STAY TUNED for updates to this date and time, as this event is still being planned*. Youth from both RHA and LHA **12 and under** are invited to participate. Children are **required** to have parents present, however, parents may not collect eggs. Arrive early, as the event is typically over within the first 15 minutes! If you are **able to help** out with this event, or to join the Social Committee, please contact rboard@sequoiamanagement.com.

Fairfax Community Emergency Response Team (CERT)

What do you do if, during a major disaster, you call 9-1-1 and no one responds? The Fairfax CERT program prepares regular citizens to safely help themselves, their families, and their communities during major emergencies where first responders are delayed. During CERT training, experienced instructors from the Fairfax County Fire and Rescue Department and CERT volunteers teach disaster response skills, such as fire suppression, light search and rescue, team organization, and disaster medical operations. In hands-on training, classroom learning, and realistic exercises, CERTs learn how to prepare for disasters, and if a disaster occurs, what to do until professional first responders arrive. CERTs deploy only during major disasters of such large scale that regular emergency services are overwhelmed (for example, earthquakes or major storms that produce mass casualties), and only to help their neighborhoods and local communities. To learn more, or join, email fire.cert@fairfaxcounty.gov or see www.fairfaxcounty.gov/fr/cert/cert.htm
