

New Trash Service for Town Homes

Over the next few months, Reflection town homes will begin transitioning over to a new -and hopefully better- trash service provider, Con-Serv Industries (CSI). The preemptive change over in trash service providers was brought on by ongoing complaints of missed pickups, remaining items, and improper disposal methods. With a new company and contract, RHA hopes to alleviate these unmitigated problems. Additionally, RHA received considerable feedback regarding the 'bulkiness' of the current 64 gallon trash bins, difficult to maneuver and taking up home space. Therefore, RHA has discussed & selected a 32 gallon trash bin instead. Individual residents can contact CSI directly to request a 64 gallon bin instead in exchange for their new & unused 32 gallon bin. Extra bins are possible for a fee. You do not have to use CSI's provided bin, however, all waste MUST be in some sort of bin in accordance with Fairfax County requirements. Trash bins MUST have a cover! NO dumping of bags in the open! Recycling bins will remain at a 18 gallon size. Pickup dates and times will remain exactly the same as they are now; **Trash** on Monday, Wednesday & Friday; **Recycling** on Monday and Thursday, **Bulk** pickup on Monday, and **Yard waste** on Wednesday. Streets that still utilized the remaining trash corrals will have their bins replaced with the same number and size of bins at present. Every measure is being taken to make this transition as smooth and easy as possible, however it is very possible for delays or problems to occur, so we ask for both your patience during this process.

In This Issue

- CSI New Trash Company
- Trash Placement Reminder
- Cash for Fridge
- Approved Bulk Items
- Holiday decoration reminder

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	TRASH		TRASH	RECYCLE	TRASH	
	RECYCLE		YARD WASTE			
	BULK					

REMINDER: For those who have trash picked up individually (do not use corrals), ALL trash (to include bulk, yard, and recycling) must be placed **IN FRONT OF your own home**. No waste is be placed on community / public areas. Waste must be placed on YOUR property, or, if this is not possible, then on an area immediately in front of it. **AVOID** leaving trash in public areas, to include sidewalks, if at all possible.

(Call 703-444-3181 to arrange special pickup)

Cash in on your old (but working) fridge!

Are you a Dominion Power customer? Do you have an old refrigerator (more than 10 years / < 2007) that you want to sell, give, or throw away, but still works? You can sell a working refrigerator between 10 and 32 cubic feet to Dominion Power and get a \$50 credit on your bill! Schedule an appointment with Dominion's appliance recycling contractor ARCA online or by calling **1-888-366-8280**. On the scheduled date, the contractor will remove the qualifying refrigerator or freezer and recycle it—as well as properly dispose of any hazardous materials.

REMINDER — ALL HOLIDAY DECORATIONS SHOULD NOW BE REMOVED

As a reminder—holiday decorations must now have been completely removed from the exterior of all homes. Any remaining homes with decorations (i.e. holiday lighting, decorative ornaments, etc.) will be given an ACC violation notice.
