Missionaries/ NYC Trip

My granddaughter, Kylee, and I have teamed and committed with others from our church, Immanuel Baptist Church, to be part of a team of missionaries to go on a short term mission trip to New York City during June 26-June 30, 2013.

We will go with a vision to help promote, restore, and maintain trees and flowers to the city of NYC, where there is hardly any grass.

The purpose of our trip is four fold:

- First, we will be allowing God to work in our lives through the personal enrichment that comes from a mission trip.
- Second, we will be helping to clean and groom a 100 acre park that only has one paid staff, and we will be allowed an opportunity to interact with people enjoying the green area of the city.
- Third, we will be working with Cornerstone Church at Bay Ridge, a new church plant. We hope to develop a long term partnership with this church and draw people to their weekly worship services by our community service.
- Fourth, our prayer is that God may open the eyes and hearts of people in NYC and allow them to hear us as we share our faith, the message of Jesus.

The North American Mission Board states that out of the 8 million people in NYC only 3% are evangelic Christians. So much goes through NYC, cargo, cash flow, tourists, and a melting pot of ethnicity. NAMB has decided to make a long term commitment to reaching the city with the Gospel of Jesus Christ. One of those commitments is Cornerstone Church at Bay Ridge.

As you can imagine, a trip like this requires financial support from a number of people. I need to raise \$1200.00. This amount is for Kylee and me. If you can support us in any financial way, we would be very grateful. Most importantly, Kylee and I need your prayer support. Prayer is the fuel that will allow people that we meet to open their hearts and hear the gospel of Jesus.

Because they haven't heard,

Jesus said to his followers, "Go everywhere in the world and tell the Good News to everyone."
