“Bless a Mom – Bless a Child” Tribute Gift

“Because of your love, care, and guidance in my life, I recognize and respond with action to care about and address the needs of others.”

The Dwelling Place provides safe, transitional housing as they share Christ’s love and care to women and children traumatized by the homelessness and fear of domestic abuse. Through The Dwelling Place ministry, each mother and child receives time to heal in a safe place and receives supportive care that prepares her to provide a life and safe home for her family that is free of abuse.
