Year-to-Date Profit & Loss statement reviewed, and discussion held regarding the tax assessment. Total assets are $365,000 and there is still $708 in the Parker Park account.

- Executive Director’s Report Geoff Brault
  - Bobcat Repairs – the BID’s Bobcat needs a new transmission; estimate for repair cost is $5,800. Board discussion regarding alternative solutions included contacting Casale Rental, Satch Sales in Menands, and Club Car dealer. Suggestion was made to lease a new vehicle; another suggestion made to consider purchasing an electric vehicle. Timeline discussed revolves around the delivery of our hanging baskets, set to occur in 2-3 weeks’ time. Ultimate decision was made to consider other options before paying $5,800 to repair the current transmission.

  - DRI meeting and discussion regarding façade grant improvement funds; Steve and Dylan to help administer part of the program. This will likely become a one-time grant fund and not a revolving loan fund; public comment forum on Monday at 6pm is open to the public.
  - Fundraising/Sponsorship Update – Geoff reports there is $35,000 in fundraising asks that have been sent out;
Currently speaking with representatives from CDTA, Pioneer Bank, Hudson Valley Community College, and Fidelis. CDPHP and Honest Weight to sponsor Fitness in the Park again this year, provided $3,500 in funding.

- Downtown Quality of Life & Safety – Geoff Brault and Dave Gardell are meeting with Troy Police Department to discuss concerns around Third & Congress/State Streets; mention was made of an active Reddit Page raising concerns regarding that corridor. Question raised: is there more that we can do as a central business district? Mayor Madden announced the city is working with County Mental Health to help; and additional resources have been added to that area, along with additional patrols.

- Rockin’ On The River Partnership – Rockin’ On The River will return for 4 shows: July 6, July 20, August 3, and August 17 at the Waterfront, in partnership with River Street Market.
