St. Nicholas Catholic Church Mission Statement

We, the community of believers of St. Nicholas Catholic Church are called by GOD to give living witness to the saving power of Jesus offered freely to all humanity. We are empowered by the Holy Spirit and sent into the world to recreate the face of the earth. In the light and the truth of the Gospel message, we are committed to: Grow in our faith, participate in and support our Church, to reach beyond ourselves to meet the needs of others who seek to better their lives by unashamedly living our Catholic Faith.

Pastor's Corner

Dear People of God,

Last week, we emphasized thoughts on bad things happening to good people. Yet, God is the eternal healer. The following is from the "Joe Catholic" website commenting on the great St. Augustine's insight into what happened to Lazarus and family in the Holy Gospel According to John, Chapter 11. It signifies what I often say, that physical death is never the end of the story:

"11:4. The glory which Christ speaks of here, St Augustine says, "was no gain to Jesus; it was only for our good. Therefore, Jesus says that his illness is not unto death, because the particular death was not for death but rather for a miracle, which being wrought men should believe in Christ and thereby avoid the true death" (In Ioann. Evang., 49, 6)."

Sometimes in life, the only words we can muster in some circumstances are, "Lord, have mercy!" and or "My Lord, and my God!"

Your pastor and brother in Christ,
Fr. Art
