The following Fishermen models may play for the Navigator's Guild:

- Angel
- Siren
Pah! The Navigator’s Guild? Hear them talk, you’d think they’re the only ones who can chart a bloody map. There’s plenty of misguided folk who actually buy into that crap, too; I don’t doubt many a halfway-competent Spyglass takes coin from such hires. Of course, most of ‘em earn a pretty penny from less reputable activities, to boot.

The buccaneers are the worst of ’em. Oh, they claim to be adventurers, noble heroes charting new seas out on the frontier—but that lie smells worse than the otter’s arse. They’re nothing more than smugglers, for my money. Windfinder isn’t the worst by far, but she’s infamous enough—her and her ship, the Freebooter’s Bounty. Her ilk came about once the Pirate King left the seas, but rumour is the Navigator’s Guild have been forced to rethink their options now a new tyrant has risen. They’ve no stomach for a fight, the cowards.

The sooner this arrangement runs its course, the better. I don’t trust Windfinder, or her blasted crew. I’d like nothing better than to introduce most of ’em to the captain’s daughter, see that wipe the grin from their smug faces.

—Corsair, Fisherman’s Guild Team Captain
**Windfinder**

**Character Traits**

*Guild Rule: Precise Calculations*
This model may reroll any number of dice during its attacks and kicks.

*Stormwind*
When this model hits an enemy model with a character play, the enemy model suffers the knocked down condition.

**Legendary Play**

*Perfect Course [6” Pulse]*
For each enemy model within this pulse, a friendly model within this pulse may make a 4” dodge. Each friendly model can move only once as a result of Perfect Course.

**Character Plays**

**Eye Spy**  
2/6”  
Friendly models gain +2 TAC while attacking target enemy model.

**Full Speed Ahead**  
2 4”  
Target friendly model gains +0”/+2” MOV and may sprint or charge without spending influence during its activation.
Guild Rule: Precise Calculations
This model may reroll any number of dice during its attacks and kicks.

About Their Necks
The first time each turn this model suffers damage from an enemy attack or play, enemy models suffer -1 TAC for the remainder of the turn.

Flying
When this model moves, it ignores terrain and other model’s bases. It can’t end movement overlapping another base, an obstruction, or a barrier.
**Wander**
