## IT ALL STARTED WITH A DARE...

Donald M. Denlinger, founder and president of the Mill-Bridge Craft Village, had just placed a half-hearted bid on nineteen 25-ton N-5 cabooses in the summer of 1969. Six months later, during a late January blizzard, he received a phone call that would change his life forever. The cabooses were his and they had to be moved. Fast.

475 tons of steel is hard to move in a blizzard, and Denlinger faced many heartaches and red tape along the way. He finally decided to move his cabooses to a parcel of land along the Strasburg Rail Road. Opened on Mother's Day of 1970, The Red Caboose Motel & Restaurant has continued to remain a one-of-a-kind attraction in the heart of Amish Country. Comprised of 38 cabooses, a mail car, baggage car, 2 dining cars; a petting zoo, Amish buggy rides, viewing tower and more, there is *no place* like The Red Caboose Motel & Restaurant. In fact, we're listed in the Guinness Book of World Records for the Most Singly Owned Cabooses! And where else can you say you've slept in a caboose?

An excellent destination for families, couples, groups and kids, The Red Caboose Motel & Restaurant is surrounded by Amish Farms, The Strasburg Railroad, The Railroad Museum of Pennsylvania, and the Choo-Choo Barn and is just minutes from Sight & Sound Theatres, American Music Theatre, Dutch Wonderland, great outlet shopping and many more Lancaster County attractions.

Lancaster County's Red Caboose Motel & Restaurant is family owned and operated by father and son team Todd and Tyler Prickett and their families. We take great pride in providing an exceptional experience for every single guest, every time and strive to honor Don Denlinger's legacy. We hope you enjoy your stay!
