Connecting innovators to the power of the community around them, Surge takes participants through four distinct social experiences, each designed to accelerate new businesses through a different phase of the start-up process. Successful contenders win the support they need to advance their idea to the next phase!

Surge sponsorship connects your business to the growing culture of entrepreneurship and innovation in Central WI. Valuable not only to sectors that serve entrepreneurs and small businesses, support for a strong entrepreneurial ecosystem encourages creativity and ingenuity and attracts and retains a stronger workforce.
