PUBLIC ART SPONSOR

CREATE makes strategic "Arts-AND" investments that imbed creativity into every sector, solution, and situation we can manage. We've installed murals, painted trash cans, hidden geocache-able sculptures, and made art out of road construction barrels, all to make creativity central to what people love about this place.

Public art makes the creative energy of Central WI visible. It draws people to commercial centers and connects visitors to the most attractive aspects of our local identity. By sponsoring public art projects, you connect your business to that same creative energy!

LEVELS

COMMISSION - $10,000
PROJECT SUPPORT - $2,000

To participate as a Public Art sponsor, use the forms on our website or email gregw@createportagecounty.org.
