FILM SPONSOR

In response to the growing need for video production and the growing impact of film culture, CREATE has made strategic investments to put Portage County's film scene on the map. Below are two unique opportunities to connect your company to that impact.

Our 48-Hour Film Fest challenges teams of filmmakers from across the region to put their skills to work! Over the course of just one weekend, they concoct and produce a short film that is then screened before a live audience!

Spectral Microcinema is small-scale cinema that focuses on screening and celebrating handmade films in the underground, experimental, and avant-garde tradition. From 8mm and 16mm to video, each screening expands the sense of what the cinema is and can do.

LEVELS

- **48-HOUR FEST TITLE SPONSOR (LIMIT 1) - $5,000**
- **48-HOUR FILM FEST SPONSOR - $1,000**
- **SPECTRAL SPONSOR - $500**

To participate as a film sponsor, use the forms on our website or email gregw@createportagecounty.org.
