In partnership with the Women’s Suffrage Centennial Commission, the National Endowment for the Arts, Arts Midwest, and the Stevens Point Area League of Women Voters, CREATE Portage County is putting out a call for murals that commemorate the 100th anniversary of the passing of the 19th Amendment.

Artists or teams of artists that are women (trans, cis, GNC, non-binary, or otherwise) are encouraged to design concepts for exterior wall spaces anywhere in Portage County (subject to required permission) using themes and imagery that either honor this historical milestone and/or capture the importance of women's voices in our political process.
HOW TO APPLY

ROLLING APPLICATIONS

This project is part of CREATE Portage County’s "Paint the County" initiative, a New-Deal-style investment putting un- and under-employed artists to work during COVID-19. Artists, designers, studios, and teams are encouraged to apply and may submit multiple concepts for this project. Visit createportagecounty.org/paintthecounty to access active calls and additional information. Prior to applying, applicants should prepare:

- images of your concept (preferably depicted on the space),
- an explanation of the concept and its goals,
- a budget, budget narrative, and timeline for the completed work,
- 5 - 10 images of part work or completed installations, and
- 2 to 3 references who can speak to the quality and timeliness of your work.

Submissions will be reviewed as they are received and the selection committee may choose to set up interviews with finalists. This program is committed to finding the right art, artist, and message to activate unique places in this moment. While anyone is eligible to apply, we do offer special encouragement to artists financially impacted by the coronavirus, artists from identity groups that are underrepresented in our public spaces, and/or artists with personal connections to our community. Please share such information in your application.
