IMPORTANT COVID-19 INFORMATION UPDATE

Stone Canyon Outdoor EdVentures values the health and safety of our campers, families, staff, and community. It is our highest priority to exceed standards and share the knowledge of public health.

Stone Canyon Outdoor EdVentures operates and complies under guidelines set by multiple governing bodies and entities. This federal, state, and local agencies. For the quickest response, please email info@stonecanyonedge.org.

When will you open to the public?
All visitors and guests must have a confirmed reservation or registration before entering the site.

Are there overnight trips?
Effective June 1, 2021 residential overnight camps are permitted under the guidance of CDHS and TCHD. The status of programs will be updated on our website as more information is available.

Do you still provide transportation for Outdoor Education?
For the 21/22SY we will provide DCSD transportation to our DCSD clients only. Clients outside of DCSD must provide their own transportation.

Are retreats, rentals, and camping available?
Effective August 1, 2020, we will be open to the public for additional rentals, including retreats, site rentals, and camping. At this time, we are unable to accommodate multiple organizations in one session and capacity is limited.

What is your refund and cancellation policy when it comes to COVID-19?
Retreats and hourly property rentals - refunds are contingent, see contract terms.
Outdoor Ed. Program - refunds will be issued with a $50.00 assessed fee per camper registration collected to cover (Active Network) registration expenses.
HIPCAMP camping reservations - cancellations at least 1-week before your check in day and time, you’ll receive a full refund (minus fees). Cancellations within the 1 week before check in, there will be no refund.

What are your cleaning procedures?
Cleaning and sanitizing occur daily with EAP approved cleaning.
Surfaces and high-touch: areas will be disinfected at the start and end of each day.
Common spaces: will be cleaned and disinfected between uses and at the end each day.
Equipment and gear: will be sanitized after each group and individual use.
Are you social distancing?
We will continue to implement physical distancing where possible and make available additional physical space for those who want/need more distance while learning.

Do you require masks?

- For students ages 11 and under: in alignment with local and state guidance, face coverings will be strongly encouraged while learning indoors, but will not be required.
- For students ages 12 and over: in alignment with local and state guidance, face coverings will be strongly encouraged for anyone who is 12+ years and not fully vaccinated, but will not be required.

We will honor the decision of parents when it comes to their children wearing or not wearing a face covering indoors. We will use our spaces to support each and every student with safe learning environments. Behavior such as “mask shaming” will not be tolerated.

- CDPHE guidance states: The state recommends local public health agencies and school districts consider mask requirements for unvaccinated individuals, particularly in higher-risk environments. In addition, even when not required by local public health or a school district, unvaccinated and vaccinated staff and students may choose to wear masks. Schools and school districts should ensure that every classroom is a welcome environment for students and staff who choose to protect themselves in this manner.

Sick Protocol?
If a guest or staff member becomes ill during programming, immediate isolation and quarantine plan will go into effect. The TCHD will be notified and cooperate under their guidelines. Symptoms will be monitored and documented and appropriate transportation will be arranged. Staff and campers will not return to camp and will notify camp officials if they become sick with COVID-19 symptoms, test positive for COVID-19, or have been exposed to someone with symptoms or a confirmed or suspected case. Per Colorado state guidelines it is highly recommended to get tested for COVID-19 immediately. Guests and staff are not be permitted to return until symptom free for 24-hours and provide proof of a negative test.
