

1 On the bike, your Castelli jersey should fit close to the skin.

2 Off the bike, your Castelli jersey might feel tight across the chest and a little short in front.

3 Castelli ProSecco treatment helps perspiration evaporate quickly to keep you cooler and drier.

4 Castelli jerseys are designed with the sleeves articulated forward for maximum aerodynamic performance.

5 Bibshorts should fit tightly enough to support critical leg muscles through compression without inhibiting movement and constricting blood flow.

AT CASTELLI, WE OBSESSIVELY TEST AND REFINE TO GIVE YOU THE BEST FITTING, HIGHEST PERFORMANCE CYCLING APPAREL.
