Remember, your time spent volunteering at Fast Friends can count toward school community service programs. We are also happy to work with individuals or groups on special projects that would be eligible for scouting or other awards. Please contact Amy at amy@helpinggreyhounds.org or 603-355-1556 with your idea.

The staff and greyhounds at Fast Friends thank you!

Next Step: Orientation

We require all volunteers to attend an orientation to discuss greyhounds, safety, and the many opportunities available for you. Orientations are generally held at 11am on the third Sunday of each month; please check our event calendar at helpinggreyhounds.org to confirm the date and time.

You do not need to RSVP for orientation, but please let us know if you are bringing a group of more than five.

Please bring this completed volunteer application with you to orientation.
