

# HIGH SCHOOL MENTOR PROGRAM

## FAITH FORMATION

Saturday, July 16<sup>th</sup> 2017

Dear Parishioners,

As we get ready for the upcoming Faith Formation year we have been praying that the Holy Spirit guides our parish to more effectively evangelize and deepen the life of Faith in our youth.

As a result of this prayer, we are beginning a High School Mentor Program for **Freshmen, Sophomores, Juniors & Seniors**. This program is inspired by the success of the Junior and Senior class mentor programs that have been in progress for over 10 years at St. Josephs. We have also been inspired to move in this direction because it gives the mentors a tremendous opportunity to answer the call to share their faith and pass it on to the next generation, which is both personal and authentic.

Larry Simon, who has been mentoring alongside with Cathy Stoddard for over the past 10 years said, ***"If people only knew the reward and fulfillment that comes with sharing their faith with our youth, if they only knew."***

We are actively seeking out individuals or couples who would be interested in committing to becoming a mentor for the upcoming Faith Formation season.

Please prayerfully consider becoming a mentor. We will be hosting an informational meeting on **Wednesday, August 2<sup>nd</sup>** in the Parish Hall.

Sincerely,

Daniel Downes, DRE
