Recommendation to ECLC: Approve the waiver request.

1. **Confirm Citation of Rule or Regulation for Waiver Request** *(please include rule/regulation, rule/regulation number, and specific language of the rule/regulation creating the barrier. Please note: state statutes cannot be waived):*

   7.714.4 B States that “Each member of an Early Childhood Council shall sign a Memorandum of Understanding on behalf of the organization he or she represents to participate in and collaborate on the work of the Early Childhood Council”.

2. **Summary of Rule/Regulation Waiver Request from ECC:**
The waiver was initially requested to allow time to get wellness charter in compliance with governance requirements. Based on this change they still require a waiver to provide enough time to select and onboard members.

3. **Summary of Written Statement from Colorado Department of Human Services:**
CDHS recommended the ECLC approve the waiver, not to be extended beyond July 1, 2017.

4. **Recommendation from ECLC Waiver Review Subcommittee (WRS):**
The WRS recommended the waiver be approved on a time limited basis until March 31, 2018.
