Engage employees with personal recognition and social connections. Gauge sentiment through pulse surveys and employee feedback tools.

VIBE ENGAGE

PULSE

ENGAGEMENT SURVEYS & FEEDBACK

Employee survey and feedback tools complete with engagement measurement dashboards. Understand and take action on employee sentiment in real-time with Vibe Pulse.

- Pulse Surveys
- Employee Feedback Tracking
- Dashboards & Reporting
- Integrated Action Planning

SOCIAL MEDIA

GIVE EVERYONE A VOICE

Augment workforce communications with interactive social media tools. Become the hub of the enterprise where ideas are exchanged, conversations held and successes celebrated.

- Social Media Tools (Blogs, Forums, Wikis, Albums, Shared Files, Ideas)
- Community Hub with Activity Streams
- Role, Program & Tenure-Based Work Communities

COMMUNICATIONS

UNIFY YOUR BRAND & MESSAGE

Say goodbye to stale-dated intranets and information getting bottlenecked in IT. Leverage Vibe Engage to unify your brand and message with interactive media.

- Content Management
- Multiple Authoring Methods
- Multilingual Content Support
- User Acknowledgements & Auditing

PERSONAL PROFILES

GET TO KNOW THE PERSON

Org charts with personal profiles help employees find & identify experts, collaborate, make new connections and recognize peers.

- Configurable Profile Information
- Personalization (i.e. photos, taglines)
- Locate A Colleague
- Find Connected & Influential Peers

Vibe HCM is currently being used to recruit, manage, connect and inspire employees in multiple languages across 29 different countries. Organizations ranging from medium-sized to some of the most recognized brands on the planet have put their trust in Vibe HCM.
