Leading Children's Frozen Meals Brand to Launch Two New Meatball Products

Mom Made Foods to Showcase Gluten-Free Meatballs and Italian Meatballs at Expo West 2014

ALEXANDRIA, VA (March 7, 2014) – [Mom Made Foods](#), family-friendly frozen prepared [meals](#), [snacks](#) and bites, is introducing two new products at Expo West 2014, bite-size Gluten-Free Turkey Meatballs and Italian Beef Meatballs. Samples to taste of the Italian Beef Meatballs will be available at the Mom Made Foods Expo West 2014 booth #2998. The two new meatballs will hit retailer shelves in Summer 2014.

Mom Made Foods' nutritious frozen meals and snacks give parents a guilt-free, convenient way to feed kids foods that they love and are good for them. With higher demand for healthier meals, Mom Made Foods continues to expand in the frozen aisle to meet consumer needs and includes dietary solutions for organic, non-GMO, gluten-free, low-sodium, vegetarian, vegan and antibiotic-free conscious buyers.

"With so many non-healthy prepared frozen food options, Mom Made Foods is the healthy destination and best solution for families," said company founder and CEO Heather Stouffer. "We are driving consumers to the frozen food aisle with our wide variety of healthy family favorites, including the addition of Gluten-Free Turkey Meatballs and Italian Beef Meatballs."

Using USDA-certified organic and antibiotic-free ingredients, Mom Made Foods provides families with healthy versions of macaroni and cheese, spaghetti, low sodium meatballs and other kid-friendly food staples. Mom Made Foods is proud to be the choice of parents seeking healthy, kid-friendly solutions.

Mom Made products are flash frozen to preserve flavor, nutrients, color and natural texture. They contain no preservatives, no trans fats, no artificial colors and are lower in sodium than their conventional counterparts. All meat items are made with antibiotic-free meats.
