**Mom Made Foods Natural, Organic, Frozen Children's Meals, Munchies and Bites
Distribution Expands in Northeast**

Mom Made Foods is now available in ShopRite Supermarkets

Alexandria, VA (May 2013) - Mom Made Foods, family-friendly frozen prepared meals, snacks and meal starters are coming soon to ShopRite Northeast locations, the company announced from its headquarters in Northern Virginia. Mom Made Foods has existing distribution in select, Whole Foods, Fairway, The Food Emporium, A&P, Duane Reade as well as many independent retailers.

"Mom Made will be well within reach to consumers in the Northeast markets including Connecticut, Delaware, New York, New Jersey, Maryland and Pennsylvania. In addition to our great availability already in the Northeast, we are pleased to offer consumers the chance to purchase Mom Made Foods in select ShopRite stores," noted company founder and CEO Heather Stouffer.

Mom Made's nine nutritious frozen meals and snacks give parents a guilt-free, convenient way to feed kids foods they love that are good for them. Mom Made Meals are available in organic Cheesy Mac and Spaghetti with Turkey Meatballs. Mom Made Munchies are available in organic varieties, Bean Burrito, Cheese Pizza, and Apple Pie as well as two meat options, Chicken Munchies and Turkey Sausage Munchies. Mom Made Bites are available in Chicken & Apple Meatballs, Beef & Cheese Meatballs and Turkey Meatballs, and are low sodium. All meat items are made with antibiotic-free meats.

The company's three product lines are flash frozen to preserve flavor, nutrients, color and natural texture. They contain no preservatives, no trans fats, no artificial colors and are lower in sodium than their conventional counterparts.

About Mom Made Foods

The Mid-Atlantic's first USDA-organic certified producer of frozen foods for children, Mom Made is available nationwide in grocery store freezer aisles such as A&P, Duane Reade, , The Food Emporium, SuperTarget, Waldbaum's, Whole Foods and more local chains and independent stores.
