

Job Title

Piano & Music Composition Coach

Location

Melody & Chord Creative Learning – 24016 Vista Montana, Torrance, CA 90505

Job Description

This is a piano coach position, with potential to transition to a managerial position. A long-term commitment is highly valued to develop a regular clientele-base. This position is ideal for someone who is looking to develop a career in the piano teaching business from both the education and business perspectives. The coach will:

- Understand the students' needs, plan for the lessons, and teach private sessions
- Follow the philosophy and teach the main curriculum of Melody & Chord Creative Learning
- Work with the students and parents to ensure an effective and enjoyable progress
- Update the lead coach about the students' progress on a regular basis, as well as propose lesson plans for future lessons
- Help create a lesson structure for future instructors to follow
- Ramp up on administrative and managerial work as needed, after developing the necessary teaching skills

Requirements

- Must be at least in senior year of college or a master's program. Master's degree preferred. Music degree is a plus, but not required.
- Creativity in music.
- Experience in music composition
- Passion for a well-rounded piano teaching approach
- Passion for working with students of all ages, especially children
- Piano teaching experience is a plus, but not required
- Available on weekends, occasionally weekday afternoons when substitution is needed
- Ability and interest to tutor K-6 academic work is a plus

Hourly Rate

\$22 per hour

Paid meeting time and project time

Our Teaching Philosophy

Melody & Chord Creative Learning takes a non-traditional approach to teach music like a language. The coaching is customized towards the student's needs and interest in a well-rounded, fun, and project-based manner using the latest technology.
