Employment

Amazon Corporate, LLC

June 2016 – September 2016

Conducted primary research on two populations to inform design decisions of two new products. Conducted usability tests on wireframes to inform the final visual design of each product. Products were passed off to engineering for production upon completion of internship. Will be returning Fall 2017 for full time employment.

UW, School of Art, Art History + Design

Spring 2016 – Summer 2016

Assisted Karen Cheng with clerical tasks, including trimming and hanging posters and data entry.

UW, Michael G. Foster School of Business

Student Assistant, Office of Advancement, March 2014 – March 2015

Assisted with the development of external relationships with alumni and donors in the non-profit sector of the Business School.

Generated and organized gift processing data and assisted in event planning and large mailings.

Anthropologie Inc., University Village

Sales Associate, June 2013 – November 2013

Executed sales both on the floor and over the phone, and communicated hourly with management to receive feedback and improve customer service skills.

Northwest Sports Physical Therapy, Gig Harbor

Front Office Receptionist, February 2012 – September 2012, January 2013

Scheduled appointments for new and existing patients in person and over the phone using TPS software.

Communicated with doctors and insurance companies regularly and handled both current and past patient records.

Leadership

IxDA, University of Washington, 2016

Social Chair, September 2016 – Present

Responsible for sending weekly e-mails for design related events. Also coordinates social events for IxDA members, and other interested members within the Seattle community.

Kappa Alpha Theta, Alpha Lambda Chapter, Member 2012 – 2016

Chief Operations Officer, January 2014 – December 2014

Responsible for overseeing the social, intellectual, and moral growth of all members by educating them on risk management policies and disciplining members when they fail to meet the standards set by the chapter. Also supervised the Member Development Committee and the Operations Committee.

Boards and Walls Committee Chair, September 2014 & 2015

Supervisor of a 20-person committee and designed various boards throughout the 20,000sqft chapter house as well as set standards for how rooms and doors were to be decorated for formal fall recruitment.
