

The Cincinnati State Weekly Harvest Box pick-up is held in room 024 of the Advanced Technology and Learning Center (ATLC) building.

If you are driving onto campus, please enter campus off of Central Parkway and follow College Drive around the campus buildings. When you near the vicinity of the red star (on the map), you will see loading docks and a small area where you may be able to pull over and park briefly while you run in and get your share.
