

Regulatory Signs

Regulatory signs shall be used to inform road users of selected traffic laws or regulations and indicate the applicability of the legal requirements. Regulatory signs shall be installed at or near where the regulations apply. The signs shall clearly indicate the requirements imposed by the regulations and shall be designed and installed to provide adequate visibility and legibility in order to obtain compliance.

- Section 2B.01 Application of Regulatory Signs

All signs are manufactured with Type I - Type XI sheeting in accordance with MUTCD Revision 2A.07
