

Half Pint Creamery Employment Application

Working in an ice cream shop looks like fun from the outside, but it's a lot of hard work. You have to be willing to pick up trash, clean utensils, bathrooms, floors, etc. The customers can be demanding, it gets hot, there's a lot of pressure, and you have to work when some of your friends may be out having fun. I strive to work around your busy schedule, however, I will need to know when you need off at least 2 weeks in advance. This job will be difficult and exhausting at times, but there will certainly be fun days and you will learn a lot. Do you think you can handle it?!?
