Lighting Design: Caitlin Eby  
(616) 915-3356  
[caitlin.c.eby@gmail.com](mailto:caitlin.c.eby@gmail.com)

This order documents equipment used in a lighting design that is wholly owned by Caitlin Eby. Any use or distribution of this document, or the drawings it describes, other than as required for producing *Cane River King* is explicitly prohibited and is a violation of copyright laws in the U.S. and Internationally. Any unauthorized distribution or use will result in legal action on behalf of the designer. This document, and the lighting design itself is © 2015 Caitlin Eby. All rights reserved.

## **General Responsibility:**

The implementation of this lighting design must comply with the most stringent applicable federal and local safety and fire codes. All light plots, drawings and this equipment list represent design intent and visual concepts only. The lighting designer is unqualified to determine structural appropriateness of this design and will not assume responsibility for improper engineering.

## **General Conditions**

No substitutions or alterations will be made without the consent of the Lighting Designer

Any revisions or substitutions must be fully disclosed at time of bid.

Entire package is to be made ready by supplier and to include all connectors, cables, controls, etc. so as to comprise a complete system.

Supplier assumes responsibility for any additional materials that are required on site due to rental shop oversight or error.

## **Notes:**

- All units will be supplied with appropriate lamp, gel frame, hanging hardware, and safety equipment.
- All units and accessories, including gel frames (both sides), safeties, donuts, top hats, connectors, etc. are to be finished flat black on all exposed surfaces unless otherwise noted.
