CONTACT US VIA SIGNAL

A FREE APP THAT PROVIDES END-TO-END
ENCRYPTION

How to securely contact Tom Carpenter on Signal:

Step 1: Download the Signal App.

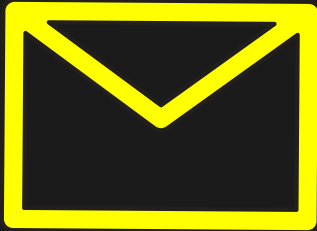

Step 2: Using the Signal App,
send a message to Tom Carpenter
at 1-206-419-5829.

What is Signal?

Signal is a free app that provides end-to-end encrypted communication for text, photos, videos, and calls. Signal is one of the most secure methods of keeping your messages confidential, since neither the contents nor the metadata is available to third parties. You can download Signal from iTunes or Google Play.

CONTACT US VIA U.S. MAIL

**Send mail to our office
address:**

Hanford Challenge
2719 East Madison Street, Ste 304
Seattle, WA 98118

Why U.S. Mail?

Sending Hanford Challenge tips in the mail can help protect your identity. This method is particularly helpful if sending high volumes of documents to us. It is better to put the mail in a public mailbox (not the post office) and not include a return address on the package or letter.
