HABITAT RESTORATION – DRIGGS, ID

RESTORATION MANAGER

Job summary and responsibilities:
Intermountain Aquatics is seeking a highly self-motivated and experienced individual with a great attitude, strong work ethic and passion for Wildlife and Fisheries Restoration to fill its restoration manager position. Leadership and organization skills are essential and should be balanced with good decision making and communication. Mechanical aptitude and the ability to work effectively and efficiently under sometimes challenging and adverse field conditions is also required. The main workload is typically a blend of habitat revegetation (seeding/planting), weed management, custom farming, scientific monitoring support and irrigation. Compensation will be based on experience and includes benefits.

Required Qualifications:

- Strong Work Ethic
- Clean Driving Record
- Commercial Driver’s License or ability to obtain one
- Professional Weed Applicator’s License or ability to obtain one
- Flexible, good attitude, and ready to learn
- Ability to work independently, as part of a team, and as leader of a team
- Leadership skills to manage a team and optimize field work in a variety of conditions
- Ability and organizational skills to keep accurate records in order to track production and efficiency in the field
- Ability to interpret maps and navigate properties
- Ability to pass a pre-employment medical exam and drug test and continue to pass random drug testing

Desired Qualifications:

- Landscaping, trail maintenance or other related revegetation/reclamation experience
- Basic maintenance and repair skills (i.e. welding, electrical, mechanical)
- Supervisory, ATV, UTV, truck, and trailer operation experience
- Herbicide application experience
- Experience operating heavy equipment including tractors, skid steers and mini excavators
  AND hand power equipment including chainsaws, brush and weed trimmers, and power augurs
- Ability to assess a situation and make good decisions
- Good communication skills

To apply please fill out the attached job application and fax to 208-354-3790 or email to jake_b@intermountainaquatics.com
