# Tri-Community Volunteer Orientation

Please join us for our upcoming Tri-Community Volunteer Orientation! If you are interested in supporting Stanton through the gift of your time, finances, and/or prayer, don't miss this important presentation.

We will share the vision of Stanton SoCal and the Stanton Mobile Medical Clinic, introduce you to our leadership team, share volunteer opportunities, and take questions. We are excited to introduce important programs to the Tri-Community, but we need your help to make the Stanton vision a reality. There is a place for everyone who wants to serve!

Two Volunteer Orientation dates are currently scheduled as follows. If you are unable to attend either date, please let us know. We will schedule other dates as needed and keep you informed.

Phelan Memorial Library  
9800 Clovis Road

## **Wednesday, February 12**

## **AN IMPORTANT NOTE ABOUT DONATIONS**

Stanton SoCal has taken the step of creating an independent non-profit corporation, Love Mercy. Stanton is still an affiliate of Stanton International (based in Boise, Idaho), but for tax purposes we have stepped out from under the Stanton International non-profit umbrella. Stanton SoCal and Mobile are now DBAs of Love Mercy. The board of directors for Love Mercy is the leadership team of Stanton SoCal: Danielle Versluys, Anjie Cannavino, Andrea Ball and Norine Giacomuzzi. For more information about Stanton SoCal's role as affiliate with Stanton International, please visit our website at [www.StantonSoCal.org](http://www.StantonSoCal.org).

Unfortunately, because Love Mercy is still in the process of applying for tax exempt status with the IRS and California Franchise Tax Board, donations are not tax deductible for federal or state income tax purposes at this time.

**When we reach our goal of obtaining tax exempt status, it will apply retroactively to all donations made to our organization since its formation (October, 2013).** Donations would then be deductible as charitable contributions on your federal and state income tax returns, subject to general limitations applicable to your personal circumstances. Please consult your tax adviser, and we will notify all supporters once our tax exempt status has been approved.

Until then, we thank you for your patience and ask that you consider supporting Stanton SoCal during this crucial time, even as we wait for our tax exempt status approval. We need your help to make this important ministry a reality! If you have any questions regarding our tax-exempt status, please contact Danielle at [Danielle@StantonSoCal.org](mailto:Danielle@StantonSoCal.org).

### **Where to send your donation:**

Checks can be made to Stanton SoCal, as we operate under that name, and all donations sent to Stanton SoCal, P.O. Box 189, Wrightwood, CA 9237. Online and credit card donations will be possible soon.
