

# WELCOME

## Meeting purpose

The Office of the Mayor-President and the East Baton Rouge Transportation and Drainage Department welcome you to the first public meeting for the TramLinkBR project.

This meeting is being held to:

- Introduce the TramLinkBR project to the public.
- Describe what a modern streetcar system is.
- Present key information about proposed alignment options, stop locations, maintenance facility sites and service levels.
- Discuss the federal environmental review process being completed for the project.
- Obtain public feedback and answer your questions.

## Meeting activities

At today's meeting, we encourage you to review handouts and display boards, watch the video and talk with project staff to have your questions answered. Please be sure to:

- Sign-in at the welcome table
- Listen to a brief presentation at 6:00 p.m.
- Browse the meeting displays
- Submit your written comments

## Visit the meeting online

Missed an exhibit or would like to see the information again? Know someone who couldn't make it to the meeting? All of today's exhibits will be posted online at [www.TramLinkBR.com](http://www.TramLinkBR.com).
