RE: NATA Letter of Support for City of Westminster's Sheridan Boulevard widening and underpass Project

Dear Jennifer,

The North Area Transportation Alliance (NATA) supports Westminster's TIP submittal to widen Sheridan Boulevard from the U.S. 36 ramps to 87th Avenue and construct an underpass from Westminster's WURP to the park-n-Ride. These multimodal improvements will not only alleviate congestion but foster economic development opportunities and enhance transit connectivity with the Flatiron Flyer (U.S. 36 BRT).

If you have any questions, please do not hesitate to contact me.

Sincerely,

Erik Hansen, Chair of NATA
Adams County Commissioner
