RE: NATA Letter of Support for City of Commerce City's TIP application titled:
"Adams County, Denver and Commerce City Industrial Area Study"

Dear Jennifer,

The North Area Transportation Alliance (NATA) supports Commerce City's TIP submittal to identify critical travel sheds on our local arterial and major collector street system generally within the boundaries of I-25, I-270 and Smith Road/40th Avenue. Adams County, Denver and Commerce City are working in partnership to study key connections to I-270 and I-70 and include some specific analysis in critical areas, including studying the feasible options for improving the intersection of 60th & U.S. 85. Both connections to I-270 and the intersection of 60th & U.S. 85 are top priorities for NATA.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Erik Hansen, Chair of NATA
Adams County Commissioner
