2015 Review

Information

Action

Advocacy

As a community outreach service, Smart Commute Metro North brings transportation and transit education and information to community festivals and events, provides updates to City Councils and interested organizations, and posts pertinent content on our website and Facebook page. In partnership with Way to Go and RTD, our outreach includes rideshare information, transit, bike and pedestrian mobility options and telecommuting information.

Smart Commute Metro North is committed to promoting activities that encourage commuters to rethink mobility options on a personal level and as a regional community. Transportation improvement and investment information forums, enhanced map programs and important partnerships are all tools we use to connect commuters with options.

Smart Commute adds our “voice” to NATA and member jurisdictions in support for funding important transportation and transit improvements in the north metro area. We believe a strong, consistent, collaborative message of support makes a difference. We are proud to be part of a coalition of advocacy bringing better mobility options to our region.

2015 Accomplishments

- Added a part time intern to our staff
- Retained all 21 existing members and added 8 new members
- Service outreach to Digital Globe, Avaya, Water World, and SAN Health Campus
- Provided 3rd Annual Commit to Commute Green Program to Adams County Employees
- Completed scope of work for 2014-2015 CMAQ TDM Grant
- Completed scope of work for TDM for CDOT Express Lanes Project for Segment 2
- Created 5 new van pools in our service area
- Aggressively promoted RTD transit and Bustang options
- Staffed over 30 community events and festivals
- Worked with Water World on employee use of Federal Heights Call n Ride Service

- Worked with RTD to extend the #8 bus route to 144th/Huron
- Presented 3rd Annual Trans Forum “NEXUS NORTH”
- Produced *Concierge Commute Van Pool* Video
- Organized and staffed two Bike to Work Event Stations
- Promoted DRCOG’s Go’Tober campaign with three large area employers competing region-wide
- Continued Advocacy for the completion of the North Metro Rail Line
- Continued Advocacy for RTD transit service to SH 7

2016 Strategic Plan

- Provide Administrative Services for SCMN, NATA and I-25 Moves
- Participate and staff 30+local festivals and events promoting mobility choice and commuter incentives
- Make presentations to city councils providing information and updates on transportation projects, programs and incentives
- Provide TDM programs required by our DRCOG Partnership Agreement
- Promotion and outreach events staffing for our RTD Marketing Partnership Agreement
- Promotion and outreach events staffing for the Regional Air Quality Council's *Every Trip Counts* Program
- Provide TDM Services for I-25 Express Lanes Project Segment 3 through a CDOT IGA

- Present 4th Annual Trans Forum in June
- Continue advocacy for the completion of the North Metro Rail Line
- Continue advocacy for RTD express transit service to 144th and to SH7
- Explore Eco Pass and Flex Pass pilot program for new multifamily developments along 120th Avenue
- Consider Pilot Project on Congestion Aversion
- Launch updated Smart Commute website in February
- INCREASE MEMBERSHIP!!!!!!
