Re: Letter of Support for TIGER Application for the City of Westminster Improvements

Dear Selection Committee:

The North Area Transportation Alliance (NATA) is an association of thirteen local governments, the Metro North Chamber of Commerce, Adams County Economic Development, Smart Commute Metro North Transportation Management Organization and businesses in the north metro Denver area. NATA's partnership of public and private entities work to identify, develop, advocate and lobby for transportation solutions that will enhance mobility, drive economic development, and reduce traffic congestion in the north metro area. To that end, NATA actively supports Westminster's "Denver-to-Boulder Bikeway & Transit Tunnel Connections in Westminster, CO".

We believe the project fulfills many of the goals of the TIGER program, including safety, quality of life, and environmental sustainability while fostering partnerships.

The members of NATA encourage alternative modes of transportation within our rapidly growing region, and we are pleased to offer this endorsement of the City of Westminster TIGER grant application that will further promote safe, multi-modal travel.

Sincerely,

Randy Ahrens, Chair
Mayor, City & County of Broomfield
