EXPERIENCE

FIS MOBILE

UX Designer • January 2016 – Present

Visual and Production Designer • September 2013 – January 2016

I collaborate with others to develop updates and new features that range across our core mobile banking platform, extension features, and retail projects. Some of my responsibilities include building wireframes, creating visual designs and prototypes to illustrate user experience flows, and contributing to design style guides for documentation and development.

FERME À PAPIER

Intern • May 2013 – July 2013

I worked in stationery production, social media, customer service and designed projects for the Ferme à Papier stationery line.

OH HAPPY DAY

Crafter and Stylist • June 2013

I created and constructed craft projects for posts on the Oh Happy Day blog, and assisted with the set up and styling of photo shoots.

SIGN-A-RAMA

Graphic Designer • June 2011 – October 2012

Production Assistant • Summer 2006, 2007, 2008

I communicated, designed and produced creative signage solutions for a variety of businesses. I managed multiple projects under strict deadlines.

UC DAVIS DEPARTMENT OF THEATRE & DANCE PUBLICITY

Graphic Designer • August 2009 – January 2011

I worked with directors and students to develop printed outreach materials for department productions, events, and the graduate program.

PARTICIPATION & LEADERSHIP

Garden for the Environment

Volunteer • January 2015 – Present

I volunteer at GFE on Saturdays planting and harvesting crops for the weekly Harvest! CSA box for the Larkin Street Youth Services G-House.

UC Davis Pixel Club (AIGA San Francisco Student Chapter)

September 2007 – June 2011

I was an active club member throughout my time at UC Davis. I served as the club historian for one year, during which I documented club events and facilitated successful club meetings and fundraisers.
