Dear Friend and Brother in Christ,

I am always asking God for you and your loved ones to be well; to deliver them from all evil and provide them with all their needs, just as you provide for the children.

March 8th, 2017 marks two years since Mami Leo's departure to live in the house of the Lord. We celebrated Mass in the chapel of the Home with the children, and I began to reflect on it, as well as on our purpose and our motto.

FAITH LOVE HOPE

FAITH: is one of the foundations taught to us by Mami Leo. When you receive a child who has been abused and abused, this child has lost their faith in humanity, their trust in others, and is destroyed by the atrocities they have lived. Upon arriving to the Home, they receive compassion, love, and the respect they deserve to begin to rebuild their faith in God and their faith in humanity.

LOVE: When children come to the Home and have been abused and abandoned, they have one thing in common—the absence of love. From the moment they are born, the children should feel the warmth and happiness that comes with being loved. Once that feeling of being safe and confident is violated, they become lonely and angry children. The way to reach them and transform their lives is through unconditional love. Love is the core of Misioneros Del Camino. It is our mission, our vision, and our value.

HOPE: When Faith and Love are restored, children begin to experience what it is to have hope in every sense of the word: optimism, desire, ambition and, most importantly, a vision for the future. From deep depression and anger, we help them experience a transformation of unconditional love.

Dear Misioneros Family, I am calling you at this moment to once again support us this March 30th and 31st during our annual with La Poderosa 670am. Please help us, for without you, we would not be able to help continue the Labor of Love that Mami Leo created and left us. "Blessed are the merciful, for they shall obtain mercy" Matthew 5: 7

In Jesus Christ,
