## ▶ CHURCH & LEADER INFO

**REGISTRATION:** \$45 Early Registration (must be postmarked by March 1)  
\$60 Late/At the Door Registration (all registrations after March 1)

**REG. NOTES:** The early registration rate is only for those registrations fully completed, paid, and postmarked by March 1. Note that the early registration date is the same for East and West SURGE!

ALL late/at the door registrations are \$60. Late registrations will only be accepted if space allows.

There is no refund for cancelations made on or after the day of SURGE. Those made before will be refunded upon request, less a \$5 administration fee.

**FORMS:** The brochure does not contain the registration form. The registration form is a separate sheet that is easy to duplicate and distribute. Families may only need one brochure and then could have multiple registration forms. Additional forms are included for your convenience.

**CHURCH REG:** Churches are requested to send in their registrations as a group, with one church check and all completed forms. (Double-check your forms for all signatures!)

A SPREADSHEET is included to assist you in calculating fees. Churches **MUST** include this spreadsheet or a similar one with their forms.

**CHAPERONES:** Please note our chaperone process!

Chaperone applications are due by March 1. They can be mailed in OR completed online at [ndstudentmin.com/surge](http://ndstudentmin.com/surge).

\*Each chaperone is required to pay the \$45 early registration fee along with the students. We ask that the church would cover this cost of their chaperones.

Churches should provide 1 chaperone for every 5-8 students

Please note that a Pastoral Recommendation form is required for each chaperone. That is included in the chaperone application form, OR can be completed online at [ndstudentmin.com/surge](http://ndstudentmin.com/surge)

#### CHAPERONE LATE REGISTRATIONS

Chaperones will not be accepted at the door. They must apply and submit all forms before March 1. They will receive email confirmation of their acceptance.

#### **LICE POLICY:**

There is a mandatory lice check.

All students are required to have a check for head lice BEFORE registration. This is considered the local church's responsibility. Please do a lice check at your church before SURGE.

If you suspect a student might have lice, check early enough so the student and items brought to SURGE can be treated before SURGE. Have a qualified person (teacher, nurse, cosmetologist, etc.) give each student a thorough check.

Any campers discovered with lice at SURGE will be sent home. It is the church's and parents' responsibility to make immediate arrangements for such, as well as take care of any necessary cleaning.
