WINE ENTHUSIAST[®]

BUYING GUIDE

91 M2 2014 Duality Red Wine (Amador County). Turbo-charged fruit flavors, full body and an almost thick texture make this wine opulent and compelling. While technically dry, it has such ripe blackberry and boysenberry flavors that it tastes like a syrup, coating the sides of the mouth with fruit flavor and powering to a lingering finish. *Editors' Choice.* —J.G.
