

THE CATACOMBS

Haunted House Fundraiser ~ All Profits Benefitting PFGA North & South Campuses

**We need many adult volunteers (18+ years old) to make this event run smoothly.
The easiest and most FUN way to earn your Service Hours!!!**

*Please review the schedule and indicate where you would like to be assigned for each date. Please note that **Tunnel & Actor** positions require full compliance with **Protecting God's Children**. For more information on those areas, please see the Catacombs FAQ Sheet.*

*Assignments will be made as forms are received, on a first come/first serve basis, for each day you indicate. We will schedule you for each day you indicate or contact you if there are any conflicts. Please return your completed form to the school office or via email by **Sept. 20th**, so that everyone will receive their assignment by the end of the month. After the due date, contact the school office or the contact listed below for scheduling.*

Please note that no partial time will be given, so be prepared to work the whole committed time. Each day (except close up) counts for 5 hours. Please do not bring your children during your scheduled volunteer time, this is in compliance with Protecting God's Children since child care is not available.
