SERVICE  
HOURS!**

We are once again marching in the Northwest Side Irish Friends and Family St. Patrick's Day Parade! We look for as many families to join us as possible in order to make a great showing for the school! Some of the other Catholic Schools in the area come out in full force and we want to make sure we're AT LEAST equally represented. Be sure to go to Mass on Saturday night or early Sunday!

Please wear your Wolf Wear (any school sports team uniform, cheer uniform, Wolves spirit wear, or just Maroon and Gold!) and layers underneath if it's cold, which it will likely be.

We also like to have candy to pass out to parade goers. If you can join us, please bring a bag or two of individually wrapped "parade" type candies to pitch in. We will also have cards and Pope Francis crayons to pass out. **2 Service Hours will be earned per family for their participation!**

Thank you so much!
