

First week of Advent: Nazareth

Day 10 – Humility

Joseph was a humble man. When Mary told him about the baby within her, at first he wanted to quietly divorce her. Joseph may have felt unworthy of what was being asked of him--to take on this great blessing.

True humility comes from knowing who we are that comes through knowing whose we are. Humility comes from accepting the person that God has created us to be.

Psalms 139: 6

“Such knowledge is too wonderful for me; it is high, I cannot attain it.

Let us Pray

God, help me to understand that I belong to you, that I can only continue to grow through you.
