Karely E.

13% Improvement in **English**
13% Improvement in **Social Studies**
13% Improvement in **Science**

**Many of the schools our students attend, including those in the LAUSD, use a four point scale to measure academic achievement. For this reason, many of the percentage improvements above are the same; they represent an improvement from a grade of "2" to "3," or "3" to "4".*
