TYPE OF ACTIVITY: Interviews of Following:

Andres F. Martinez, DOB 101/09/63
3703 S. 10th Street
Manitowoc, WI 54220

DATE OF ACTIVITY: 11/16/05

REPORTING OFFICER: Inv. Wendy Baldwin

On 11/16/05 Special Agent KIM SKORLINSKI and I (BALDWIN) made contact with ANDRES F. MARTINEZ (ph) at the MANITOWOC COUNTY JAIL. ANDRES was interviewed about possible contact he may have had with STEVEN AVERY. See Special Agent KIM SKORLINSKI's report on details of that interview.

On 11/16/05 at approximately 1345 hours, Special Agent KIM SKORLINSKI and I made contact with [REDACTED] at MISHICOT HIGH SCHOOL. [REDACTED] was hesitant at first with providing any information about her contact and relationship with STEVEN AVERY, however, did agree to answer some questions.

I asked [REDACTED] to describe STEVEN and she said he was fun, outgoing and she enjoyed hanging out with him. She said STEVEN was close to BARBARA and his dad ALLAN. She said she hasn't seen him get angry that much, however, has only known him the last two years he has been out of prison. She said that she did go along with her dad, [REDACTED], to see STEVEN in prison, however, didn't know him and never talked to him.

I asked [REDACTED] what STEVEN liked to do and she said he enjoyed going up north to the cabin and going fishing.

I asked [REDACTED] how many times she has been at STEVEN's trailer and she said just two times and one of the times was to celebrate when he got out of prison on 09/11/03. She said she saw him mainly in the auto salvage yard when she worked on the cars. [REDACTED] said that she would tear off aluminum and tear down the motors and transmissions and has been doing that for about the last year and one-half.

████████ said currently she isn't working at the salvage yard, but is attending cosmetology school part-time. She was going to stay home to help her mom, ██████████, and dad out with bills before going to school full-time.

I asked ██████████ about her relationship with STEVEN. She said they would just hang out together; however, recently within about the last year and one-half, STEVEN has been seeing JODI STACHOWSKI. She said, after STEVEN was released from prison, he lived in the ice shanty for a short time and JODI was the only girlfriend that she knew about since he had been out of prison. Initially, ██████████ had stated that STEVEN has never come onto her sexually; however, there was an investigation done, approximately a year prior, that revealed some photographs as well as a letter.

I questioned ██████████ about those things and she said there was touching between her and STEVEN. She said on one occasion, he had come onto her in her aunt's basement. This was BARBARA JANDA's residence, which is next door to STEVEN's residence. She said that he had touched her under her clothing and did later admit that STEVEN had touched her underneath her bra on her breast area as well as under her panties. ██████████ said she told BARBARA about this and BARBARA said don't worry, it won't happen again, but it did. She said STEVEN also made comments about his sex life with JODI or what he would do to her and she thought that was very sick. She did admit to being up north at the cabin and having a marker fight, however, nothing became of that. She said, after the incident at BARBARA's house, she did get creeped out by STEVEN and that is when she decided not to have contact with him anymore. She said her mom and dad would never allow STEVEN to stay overnight or be around her alone.

I asked if STEVEN ever exposed himself to her and she said she would hear him unzip his pants and tell her to look, but she would look away. She said she never saw his penis but assumed by what he was doing that he was exposing himself. She said STEVEN also tried to put her hand down his pants. She said he also did try to manipulate her into having feelings for him and stated it was okay with what he was doing with her, because they were not blood related. She said he would try to kiss her and touch her and she would push him away. One time at BARBARA's house, STEVEN tried to kiss her by holding her head so she couldn't move when she was sleeping over. She told BARBARA about this. She did admit at one point, she didn't know if she had feelings for him because of what he was telling her. She felt he was "brainwashing" her. ██████████ said after she would deny STEVEN, he would get very down in the dumps and would feel bad about what he did and the next day he would be normal and would not try to come onto her and then two days later, he would be completely opposite again.

████████ said STEVEN never talked about using handcuffs or leg cuffs on her, nor did he talk about tying her up. She said he did comment that the best sex he had was with JODI. ██████████ recalled that STEVEN would not take no for an answer. She said when he put his hand under her shirt, she would pull it out and say no, but he would do it again.
