All students from 6th-12th grade have Google for Education account from LCA that will be utilized for their school work. This licensing will give students unlimited storage and access from any device with internet connectivity for free preventing the loss of documents and work. If students have forgotten their login credentials for this account, they should stop by the Chrome Café for assistance. Your student will be responsible for ensuring their compatibility with Microsoft Office formatted documents through the use of their Google for Education environment.
